Re: SacRT Mask Donation

Dear President Ke and Board of Directors:

On behalf of the Sacramento Regional Transit District (SacRT), I would like to express how much I appreciate the CCEA and CCCS's steadfast commitment to SacRT during the COVID-19 pandemic. I know my sentiment is shared by the SacRT Board of Directors and employees for the very generous donation of masks during this unprecedented time.

SacRT is one of many essential businesses around the country fighting shortages of masks so your donation comes at a critical point. As you know, public transit has been deemed an essential sector by Governor Newsom during this crisis. There are many in the community who depend on SacRT to get them to critical destinations such as medical appointments, pharmacies, grocery stores and essential jobs. We are a mobility safety net for so many in the Sacramento region.

Many of our front-line workers cannot shelter in place with their loved ones. They put themselves at risk almost every day. The safety, health and well-being of our employees and customers is a top priority for SacRT and your donation will go a long way to minimize risk and help flatten the COVID-19 curve.

Again, we are immensely grateful for the outpouring of support from CCEA and CCCS. I truly appreciate the way the community has rallied together to unite in our response to addressing this pandemic.

Sincerely,

Henry Li

Dear CCEA and CCCS,

Thank you for your gift of \$2,686.68 to Sacramento Food Bank & Family Services (SFBFS). We are immensely grateful for your incredible generosity during this unprecedented time.

As a result of the COVID-19 pandemic and subsequent economic hardship faced by Sacramentans, we have seen more people in the food line than ever before. This has placed a great strain not only on the people we serve, but on our organization as the food bank for Sacramento County. Pre-COVID we were feeding over 150,000 seniors, families and individuals per month - this number has grown exponentially to over 300,000. We don't anticipate this 100% increase in demand declining for months, or even years, to come. We are working tirelessly to meet the need.

When you donate just \$1, we can provide 5 meals for a family.

Your gift enables SFBFS to distribute nearly 32 million pounds of food annually. Together, we can keep our neighbors fed and ensure we can continue to provide food access for our community, well into the future.

With gratitude,

Blake Young
President/CEO

Thank you so much for your generous contribution and thoughtful letter.

For tax purposes, Sacramento Food Bank & Family Services has not provided you any products or services in exchange for your donation. Our Federal Tax I.D. number is 94-3315566.
