I have worked for the California Department of Transportation as a transportation engineer for about seven years, in the fields of project management (2013-present), construction contracts awards (2008 – 2012) and roadway design (2006-2007). Before coming to the United States in 2000, I also worked four years in highway construction with China Sichuan International Cooperation Co., Ltd. in Chengdu.

I received my Ph.D. (2005) and M.S. (2002) in Civil Engineering from the University of Toledo, Ohio, and Bachelor's degree (1996) in Hydraulic Engineering from Tsinghua University, Beijing.

Joining CCEA in 2009, I have served as a board director since 2010, as treasurer and vice president since 2012.

My wife and I have one son and one daughter.

I have been working for Department of Corrections & Rehabilitation for about 5 years (2007-Present). Prior to that, I had worked at Franchise Tax Board for about 7 years starting from Programmer I to Staff Programmer Analyst (1998-2005). I had been house wife for two years in Shanghai in between these two jobs. I was an English teacher in China before coming to the United States.

At my leisure time, I enjoy practicing yoga, shopping, movies and outdoor activities. Most importantly, my husband and I enjoy being the dedicated parents of two kids, Rikki (17) and James (10).
