I graduated from Sichuan Normal University with B.A.in Chinese literature major. I moved to Canada with my family in 1996, and moved to Sacramento in 2001. I am one of the lucky people to get into the IT industry through a fast track program. After I received the certificates of Computer Programming and Database Management from Southern Alberta Institute of Technology in 1999, I started to work as a Programmer/System Engineer/Consultant from 1999 to 2009 in 2 private companies in Canada and U.S. I became a CA state employee in 2009, I currently work for Franchise Tax Board.

I am married to John Feng with a wonderful daughter Christine in college, and a lovely dog Marshall. I enjoy exercising, shopping, cooking and traveling. I believe that doing community service is a rewarding experience for our community and ourselves.

I have been working at California Department of Education for nearly 10 year as an educational research and evaluation consultant. Before working for CDE, I worked in universities in the United States and in China before coming to US.

I received my Ph.D. and M.A. from the University of Iowa at Iowa City, Iowa.

I have been volunteering to community work since I came to Sacramento. I volunteered at APAPA for nearly 10 years, working as their treasurer and chief financial officer. I am a board member of directors of the CCEA for the last two years, working as the secretary.

I believe working together we can make changes and get things better.
