Dear Members and Friends,

Happy New Year of 2011!

I have good news for our three outstanding senior students:

Kelly Ma at Folsom High School, Annie Hu at Mira Loma High School and Joan Huang at Davis Senior High School are the CCEAF/RMHC scholarship recipients of 2011. Each of them will receive \$1,000 for the expense of their coming enrollment of university.

CCEAF/RMHC Scholarships are financed by the generosity of Ronald McDonald House Charities and our own member's donations.

The following members are current donators of CCEAF, which partially supports this CCEAF/RMHC scholarship. For more information on how you can become a regular donator for CCEAF, please contact Yiwei Hu for more information:

I want to take this opportunity to say thanks and appreciations for following person's contribution to our CCEAF. Some of them have been donating their money through their paycheck cut to CCEAF for many years. It is your generosity that made this scholarship possible.
