

Zairen Luo (罗载任), P.E., Ph.D.

Division of Engineering Services – Office Engineer

California Department of Transportation

Phone: (916) 227-5784

Email: zairenluo@hotmail.com

I have worked for the California Department of Transportation as a transportation engineer for about five years, starting in roadway design (2006-2008) and then in contract awards (2008 – present). Before coming to the United States in 2000, I also worked for China Sichuan International Cooperation Co., Ltd. in Chengdu, China for four years, as a management engineer in high-rise building and highway construction.

I received my Ph.D. (2005) and M.S. (2002) in Civil Engineering from the University of Toledo, Ohio, and Bachelor's degree (1996) in Hydraulic Engineering from Tsinghua University, Beijing, China.

I am married and have one son and one daughter. I joined CCEA in 2009.
